Scott,

Here's what I have in my office from CFAC. I have the original DVDs for all 3 productions (November 10, 2014 initial, January 2, 2015 supplemental, May 29, 2015 supplemental).

I do not have a copy of the January 2, 2015 transmittal letter, but I do have the disk dated January 8, 2015 transmitting a DVD containing electronic scans of the January 2, 2015 production. Perhaps the transmittal letter is still in the box(es) containing the hard copies.

-Mark
